

Dear Firestone Farms Residents,

We are in the process of updating the Firestone Farms Directory and would like to know if you want to be included in the next publication. Since privacy is always a concern, the Directory is only distributed within the Firestone Farms community and should not be used for commercial purposes. A new copy of the 2016 Directory will be delivered to each home free of charge sometime over the summer.

Please complete and detach the following form if you have not been published in the Directory or if the information previously published has changed in some way. **If you do not want to be included or if your information has remained the same as of the last publication, please inform me of that also.**

You can either mail or drop off the completed form at my home, 103 Prestwick Court, or you may call me at 330-482-5273 and leave a message on my answering machine. If you would rather email your response, send it to ffdirectory@yahoo.com

Thanks for your cooperation on this project,

Maryann Markowitz
